SAFETY PROVISIONS

The staff at YMCA are committed to ensuring that your party will be a success and while this is a fun event there are some safety rules that need to be followed. We would therefore appreciate your assistance and support to ensure that everyone has a good time.

YMCA supervisors are in attendance to ensure that the equipment is safe to use, to ensure a safe environment is maintained for all and any instruction must be complied with immediately.

Please pay any outstanding account before the day of the party for the safety of your children and preparation of the party structure. Make sure you are aware of how many children are attending before this time so that the correct balance can be paid.

The hall will be set up by the YMCA staff using equipment that is appropriate for the age of the children attending the party and we request that you take this into consideration when organising your guest list.

All relevant equipment will be set up and the following will apply;

- To protect the equipment there will be no eating or drink within this area.
- Please respect that YMCA gymnastic centres are a smoke free and alcohol free zone.
- Children must play barefoot. Please remove socks, shoes and any jewellery before playing on the equipment. This is for their safety and the protection of our equipment. Footed tights MUST be removed or the child will not be permitted to play. Children shouldn't bring valuables or have any items in their pockets.
- Socks must be worn only when on the trampoline and will be instructed by staff when appropriate.
- For their own safety siblings of guests will not be allowed in this area, entry is restricted to paid party guests only.
- Babies and toddlers will not be permitted in this area unless accompanied and supervised by an adult.
- Children under the age of 4 years must have an adult within arms reach at all times.
- An area will be provided for eating and opening gifts.

Please advise the supervisor if you have a guest with special needs i.e. hearing or vision impaired, physical disabilities or learning difficulties, and advise them of any relevant information relating to their care.

Thank you for choosing YMCA gymnastics.
